

FISCAL NOTE

SB 706 - HB 1783

March 29, 2005

SUMMARY OF BILL: Requires that elevators, dumbwaiters, escalators and aerial tramways have a two-way means of communication through a dedicated telephone line or technology that enables the simultaneous operation of more than one communication device.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

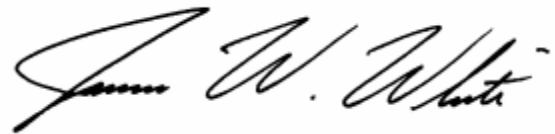

Increase Local Govt. Expenditures – Not Significant

Assumption:

- State and local governments may incur additional cost to equip two-way means of communication in elevators, dumbwaiters, escalators and aerial tramways that do not presently have such means of communication. Such impact is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" and last name "White" clearly distinguishable.

James W. White, Executive Director
